*We, the Class of 1981,  
proudly dedicate our yearbook to  
Mr. David Wardrop.*

*Mr. Wardrop was born in  
Upper Darby, PA, but lived in York  
until after college. He graduated  
from Millersville State College and  
Rochester Institute of Technology. Mr.  
Wardrop has been teaching Graphic  
Arts at Wilson for 26 years. His  
great personality and helpfulness  
make his classes interesting and fun.*

*Mr. Wardrop also co-  
authored four books with Mr. Robert  
Weirich, a fellow Wilson teacher. Their  
books dealt with Berks County taverns  
and restaurants. Because of their books,  
Mr. Wardrop and Mr. Weirich received  
national attention in 1983 by appearing  
on The Tonight Show starring Johnny  
Carson.*

*Mr. Wardrop's wife Beth  
is also a teacher at Wilson. She  
teaches Home Economics at Central.*

*We would like to thank  
Mr. Wardrop for being a great teacher  
and a great friend.*

MISS WILSON JUNIOR MISS OF 1987

It was both a wonderful surprise and a great honor to be selected to represent Wilson High School in the 1986-87 Berks County Junior Miss Contest. Through my Junior Miss experience, I had the pleasure of meeting talented girls my own age, and working with the generous and dedicated committee members who put the pageant together. It was fascinating to see all of the phases of the pageant come together, culminating in one exciting night. Despite the butterflies and the nervous anticipation, the pageant went smoothly, ending a great experience I will always remember.

Wenn  $\mu$  und  $\nu$  auf  $X$  zwei verschiedene Maße sind, dann ist  $\mu \neq \nu$ .  
 Nach dem Satz von Lebesgue gilt:  $\mu \ll \nu$  genau dann, wenn  $\mu$  absolut stetig zu  $\nu$  ist.
